About PRONI Centre...

PRONI Centre for Social Education - located in Osijek and Vukovar is non-profit organization founded in 1998 as a legal entity in the Republic of Croatia.

Special attention in our work is given to young people, respecting differences in ethnical background, religion, culture, gender and race.

PRONI works with young people, youth workers, civil society organizations and institutions using an integrated development approach in the fields of education, volunteering, youth work and policy development.

PRONI Centre is focused on youth development in different areas especially in **volunteering through individual and team volunteering according to European Solidarity Corps program.**

PRONI has four years of experience in organizing a team volunteering with youth from EU countries.

ABOUT THE TEAM VOLUNTEERING:

The volunteering activity “EcoVibe Youth Crew - Vukovar” last from 13th of May until 28th May 2026. It will be implemented in the city Vukovar on the east part of Croatia. *Volunteering activity is designed for a team of 10 volunteers - young people from Europe.*

THE AIM OF TEAM VOLUNTEERING:

The project aims to raise awareness among youth, volunteers and the local community about sustainable development and the importance of ecological approaches in solving community problems. A special focus of the project is the involvement of international volunteers - young people from different EU countries - who will participate in volunteering activities within the Vukovar community. Through environmental actions, workshops and community initiatives, the project will encourage active participation in protecting the environment and promoting healthy lifestyles among youth. At the same time, the project will foster intercultural exchange and solidarity strengthening European values and community engagement.

ABOUT ACTIVITIES:

The activities will be implemented throughout 14 days in Vukovar - Croatia, in which active role will have all volunteers (10 youth from EU countries) who will carry out different voluntary activities with the local people/youth, kids and youth with disabilities, youth schools and youth organizations focused on inclusion, diversity, volunteering, informing, ecology, networking and digital integration.
